Making a difference in a child's life

**Children and families
sometimes need help ...
for shoes, a backpack, a
winter coat, or to join a
sport.**

People notice, and wonder what to do? 

A teacher or counselor, a pastor, a caseworker, even a Wyoming employee learns about WECO, Wyoming employees reaching out to help the community.

A one-page application form is completed and emailed to WECO.

**City of Wyoming
employees make
donations; most sign up
for on-going payroll
deductions.**

More than \$164,000 raised to date!

**WECO board members
review applications.**

Nearly 100% are approved. 

Target Corporation is a partner – their Wyoming store accepts WECO's purchase order for the family's purchase.

Kids and families get what they need for school, sports, or a cold winter day.

Fast, friendly, easy and kind.

- ❖ \$164,503.59 given
- ❖ 1,000 families have been touched by employees' generosity
- ❖ 2,353 children shopped for shoes, clothing, coats, boots and backpacks. Or sports gear. Or recreation program fees. Whatever they needed to make tomorrow brighter.
