Understanding Historic Districts

Historic Property Search Tool

The screenshot shows the City of Jackson Michigan website's Historic Property Search Tool. The page title is "Do you own a historic property?". A blue circle highlights the "Check if your property is historic:" section, which includes a search form with the street "123 S MICHIGAN AVE" entered. Below the search form, it lists "Closest Matches:" with three addresses: "1210 E MICHIGAN AVE", "2301 E MICHIGAN AVE", and "323 W MICHIGAN AVE". To the right, there is a "Contact Us" section for Chris Atkin, Planning Director, with a photo and contact information. The left sidebar contains navigation links such as "Application For Permission", "Historic Property Search", "Feasibility Studies", "Michigan Historic Preservation Network", "US Standards for Rehabilitation", "Report a Concern", "Notify Me!", and "Property Information".
