 MEET THE ARTSISTS

In the fall of 2022, the efforts first public event was the "H-Art walk" that included 10 art exhibitors in businesses downtown.

The H-Art walk event marked the beginning of inaugural "H-Art Prize", where three commissioned murals were unveiled for public voting.

The Tin Man fundraiser also began during the Hart Walk and sought public input on where to best place the statue once commissioned.

The H-Art Project group quickly grew from a handful to dozens of diverse community members. Fund raising proved to be fun with people making videos, writing songs and creating fun competitions including the Frozen Tin-Man Golf Outing in February!

H-Art Project Meeting  
Hart, MI

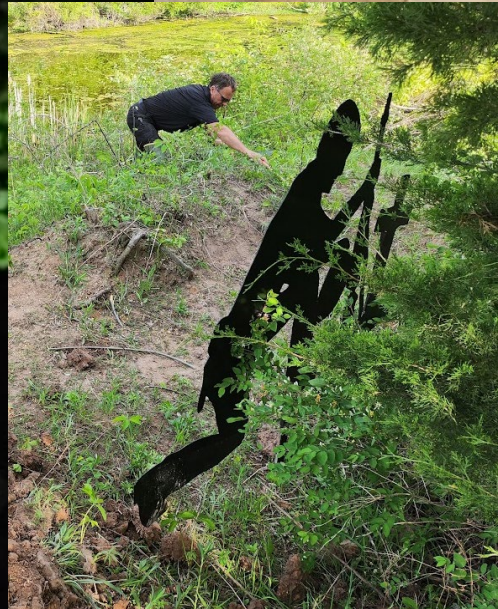

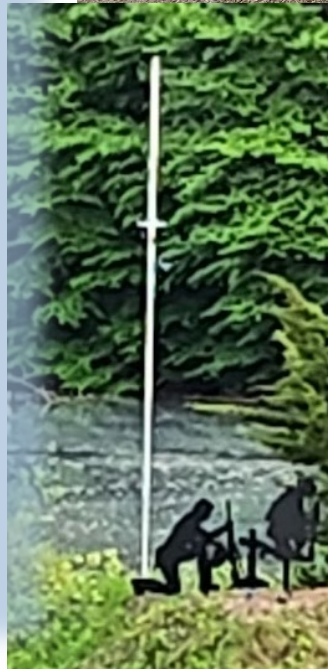

*The Tin Man was dedicated on June 10<sup>th</sup> 2023 by The Asparagus Queen at the 50<sup>th</sup> National Asparagus Festival!*

The H-Art Project continues to find new interest in different areas of community culture. One group worked to build a silhouette mural to honor fallen soldiers, and another group focused on building a pop-up shop market.

Another group within The H-Art Project dedicated their efforts to gardening!

An aerial photograph of a town, likely in the Midwest, showing a mix of residential houses, commercial buildings, and green spaces. A river flows through the bottom right corner, with a bridge crossing it. The text is overlaid on a semi-transparent blue rectangular area in the center of the image.

As the H-Art Project continues to pursue its 20 by 2025 cultural initiative, we continue to see new engagement from area community members helping to build enthusiasm and Excellent Community!
